celebrating
World Teachers' Day 2020

World Teachers' Day, Friday 30 October 2020, is a day to celebrate and be proud of our teachers.

Celebrate your child's remarkable teachers by printing and using our A5 thank you cards.

To use, simply print your preferred design on A4 paper and fold in half to A5. You can choose to print in colour or black and white – that way your child can colour in their card. Now get your child to write a personalised message to their teacher or draw on the inside of the card.
